ACTIVITY TABLES

RECTANGLE

Ideal for Learning and Meeting Solutions.

Our Quattro Rectangle Activity Tables are height-adjustable from 24"–32" and come in various sizes to seat one to six users. The 4-leg design allows for easy access to the table from either side. Tables feature steel skirt around the edges of the work surface and a reinforced leg design. Tables are GREENGUARD Certified for Children and Schools and are designed to meet or exceed ANSI/BIFMA standards and ADA requirements.

Height-adjustable so children and adults can work together in classrooms and labs.

Quattro Student Activity Desks

Double-sided tables feature built-in book bag hooks (four total per table) to keep backpacks off the floor. Glides or two 3" twin-wheel casters on one side and two glides on the other allow for easy room reconfiguration. Available in 42" W for two users, 60" and 72" W for four users, and 84" W for six users.
